A and W. V. Rieger Wasthe Leader in Class B To-Morrow's Big Shoot.

The roll of last Friday closed the year of the Kansas City Bowling Club, and Secretary Hilly Watson, baving completed official averages for the year, the medals have been awarded in class A and class B. The scores made showed a great Improvement over those of ISS, an evidence ficient bowlers have been developed in Kansas City. This city has now come to country, and much of the progress which has been made is due to the Kansas City Bowling Club, which is the ploneer or-

erage of 160 for fifty frames, and a modal average of 185. The medal average, it should be explained, is based on twenty five of the highest games rolled by any member of the club during the year. Where a number did not roll twenty-five sames is not given a medal average. H. 15. he is not given a medal average. H. B. Farley was a close second in class A, with a general average of 1st, and a medal average of 1st, and a medal average of 1st. R. M. Dickson was third for the medal with an average of 1st, and d. R. Reese was fourth with 1th. Of those who did not how cloudy gathers to get a medal average, A. Judah was first with a general average of 1st for nineisen games. Charley Nichols and C. E. Hambert were mext to him with a general average of 1st each. Eleven men in class A got a medal average and seven got a general average only.

everage and seven got a general average only.

In class R, W, V, Rieger won the medal, with a medal average of 180, C. Taylor was second with 188, and George Hobbs was a closs third with 167. Hoths made the best general average, having 185 is twenty-six games, which have him third place in the entire club on general average. Seven closs R bowiers obtained a medal average and nineteen soft a general average only.

With to-day's medal roll the club inaugurates the season of 1885. It has been decided in future to bowl the regulation tournament game of tharty frames each week, instead of the frames as has been the rule herototors. There will be a meeting of the club hald at the Grand alleys tesday, at which some proposed changes in the rules governing the weekly rolls of the club will be discussed and determined upon.
